#### Parent Partnership

Brambles value all parents, carers and guardians as their child's first educator. We actively encourage the development of partnerships between home and nursery.

We achieve this by:

- Creating a trusting, caring relationship between parents/carers and key persons.
- Communicating effectively through communication sheets, handovers, diaries and learning journals.
- Home-nursery links; Newsletters, parents evenings, social and fundraising events, social networking , email and information letters/leaflets.
